Dear Employee:

At In-House Mortgage we value your service and contributions, and we care about the health of you and your family members. Our goal for the upcoming benefit plan year is to provide you with options, based on your healthcare needs, as well as access to participating network medical doctors and hospitals and to provide coverage for the most frequently used services such as office visits and prescription drugs. Therefore, we have worked diligently with our Benefits Administrator, AJM Associates, Inc., to develop medical, prescription drug plans and ancillary coverage that incorporate National and Local network access while providing popular options at an affordable price.

You will have the opportunity, each year, during open enrollment to review you benefit plan options and to make any necessary changes for the upcoming benefit plan year. At this time, you can change your benefit elections or add / delete eligible dependents under the plan. Your elections will be effective **January 1, 2022 through December 31, 2022**. This Enrollment Guide is your regular full-time employee benefits manual. The purpose of this guide is to give you information and answer questions regarding your **2022** benefit package. Your benefits are an important part of your total compensation, so we invite you to familiarize yourself with the details of these plans and encourage you to seek clarification when necessary.

HOW TO ENROLL

Are you ready to enroll? The first step is to review your current benefits. Did you move recently or get married? Verify all your personal information and make any necessary changes.

Once all your information is up to date, it's time to make your benefit elections. The decisions you make during open enrollment can have a significant impact on your life and finances, so it is important to weigh your options carefully.

HOW TO MAKE CHANGES

Unless you experience a life-changing qualifying event, you cannot make changes to your benefits until the next open enrollment period. See **Open Enrollment** in this Enrollment Guide for details regarding IRS approved Qualifying Life Events.

We are excited and proud of this year's employee benefit offering and feel it is among the most competitive in our industry. As we continue to review employee satisfaction surveys, we intend to respond with further benefit package offering and refinements. Please feel free to contact Karl Ruth from our benefits administration company, Karl J. Ruth Jr., at AJM Associates, Inc. (248) 778-6070 with any questions or concerns you may have.

This is intended as an easy-to-read-summary. It is not a contract. For complete detail of benefits, limitations and exclusions please see your benefits contract.

Open enrollment is the time of year when you can make any necessary changes to your current health election. The elections that you choose may be changed only at the next Open Enrollment Period, unless you have a Qualified Change of Status which would allow a Special Open Enrollment.

In accordance with federal regulations, the benefits you choose in your benefits package will remain in effect through the next plan year. However, you may be allowed to make changes in certain benefits if you have a **Qualified Change of Status Event**. Examples of qualified change of status events are listed below:

- Change in Status
- Change in employee's legal marital status
- Change in number of dependents
- Change in employment status (including change in work site location)
- Dependent satisfies (or ceases to satisfy) eligibility requirements
- Change in residence
- Commencement or termination of adoption proceedings
- Significant Cost Increase
- Significant Curtailment of Coverage
- Change in Coverage of Spouse or Dependent Under Other Employer's Plan
- FMLA Leave*
- COBRA Event
- Judgment, Decree, or Court Order
- Medicare or Medicaid Entitlement
- Employee/dependent loss of Medicaid or Children's Health Insurance Program (CHIP) or employee/dependent entitlement for a premium assistance program through Medicaid or CHIP. Please note that these qualifying events have a special 60 day enrollment period rather than the typical 30 day enrollment period.

Note that there are certain limitations and/or exclusions within each qualifying event. For more information please contact AJM Associates, Inc at (248) 778-6070.

The Internal Revenue Service requires that the change in benefits must be consistent with the change of status. If you have a change, you must complete a new Enrollment Form within 30 days of the event. These forms are available from

Human Resources. **Changes made after 30 days will not be accepted.**

Women's Health and Cancer Rights Act of 1998

Your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). These benefits are subject to applicable terms and conditions under your health plan, including copayments, deductible, and coinsurance provisions. They are also subject to medical insurance limitations and exclusions. This notification is a requirement of the act.

The Women's Health and Cancer Rights Act (Women's Health Act) was signed into law on October 21, 1998. The law includes important new protections for breast cancer patients who elect breast reconstruction in connection with a mastectomy. The Women's Health Act amended the Employee Retirement Income Security Act of 1974 (ERISA) and the Public Health Service Act (PHS Act) and is administered by the Departments of Labor and Health and Human Services.

Newborn's and Mothers' Health Protection Act

The Newborns' Act is a federal law that prohibits group health plans and insurance companies (including HMOs) that cover hospitalization in connection with childbirth from restricting a mother's or newborn's benefits from such hospital stays to less than 48 hours following a natural delivery or 96 hours following delivery by cesarean section, unless the attending doctor, nurse midwife or other licensed health care provider, in consultation with the mother, discharges the mother or newborn child earlier.

Genetic Information Nondiscrimination Act of 2008

Title II of the Genetic Information Nondiscrimination Act of 2008 protects applicants and employees from discrimination based on genetic information in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. GINA also restricts employers' acquisition of genetic information and strictly limits disclosure of genetic information. Genetic information includes information about genetic tests of applicants, employees, or their family members; the manifestation of disease or disorders in family members (family medical history); and requests for or receipt of genetic services by applicants, employees, or their family members. Genetic information cannot be requested, required or purchased for underwriting purposes or before enrollment, participants and covered

dependents cannot be required to undergo a genetic test, and genetic information cannot be used to adjust premiums or contributions for the group. However, a plan is permitted to use the minimum necessary amount of genetic testing results to decide about claim payment.

Notice of HIPAA Privacy Practices

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires employer health plans to maintain the privacy of your health information and to provide you with a notice of the Plan's legal duties and privacy practices with respect to your health information. A copy of the HIPAA Privacy Notice is included within this enrollment guide.

Tell Us When You're Medicare Eligible

Please notify Human Resources when you or your dependents become eligible for Medicare. We are required to contact the insurer to inform them of your Medicare status. Federal law determines whether Medicare or the health plan pays primary. You must also contact Medicare directly to notify them that you have health coverage through an employer group. Privacy laws prohibit anyone other than the Medicare beneficiary, or their legal guardian, to update or change Medicare records. The toll-free number to contact Medicare Coordination of Benefits Contractor is 1-800-999-1118.

HIPAA Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing towards the other coverage).

In addition, if you have a new dependent because of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

The Children's Health Insurance Program Reauthorization

This is intended as an easy-to-read-summary. It is not a contract. For complete detail of benefits, limitations and exclusions please see your benefits contract.

Act of 2009 added the following two special enrollment opportunities.

- The employee or dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated because of loss of eligibility; or
- The employee or dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP.

It is your responsibility to notify Human Resources within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. More information on CHIP is provided later in this guide.

Michelle's Law

Michelle's Law is an act that requires health plans to allow college students who take a leave of absence or reduce their class load because of illness to retain their dependent status under their parent's health plan for up to one year. Student's eligibility for dependent coverage will continue for one year (unless the student would otherwise lose eligibility within the year). To qualify for protection under Michelle's Law, the following requirements must be met; the student must have written certification from a treating physician that the leave of absence or reduced schedule is necessary due to a severe illness or injury, and the leave or reduced schedule must have triggered the loss of student status under the health plan. If the plan sponsor changes group health plans during a medically necessary leave and the new health plan offers coverage of dependent children, the new plan will be subject to the same rules.

Summary of Material Modification

The information in this guide applies to the Comfort Keepers Benefit Plan Information. This information meets the requirements for a Summary of Material Modification as required by the Employee Retirement Income Security Act (ERISA).

Summary of Benefits and Coverage (SBC)

For group health plan coverage, the regulations provide that, for disclosures with respect to participants and beneficiaries who enroll or re-enroll through an open enrollment period (including late enrollees and re-enrollees), the SBC must be provided beginning on the first day of the first open enrollment period that begins on or

after September 23, 2012. For disclosures with respect to participants and beneficiaries who enroll in coverage other than through an open enrollment period (including individuals who are newly eligible for coverage and special enrollees), the SBC must be provided beginning on the first day of the first plan year that begins on or after September 23, 2012.

Disclosure About The Benefit Enrollment Communications

The benefit enrollment communications (Enrollment Guide) contains only a summary of your benefits. We have worked to ensure the accuracy of these materials, but if there is any discrepancy between the benefits discussed in these materials and the official plan documents, the official plan documents will rule. Actual benefits will be paid in accordance with the carrier contracts and any amendments to those contracts in place at the time of the claim. Please refer to the carrier booklets for details regarding your coverage, including benefit limitation and exclusions. Comfort Keepers reserves the right to amend, modify or terminate any plan at any time and in any manner.

In addition, please be aware that information contained in these materials is based on the current understanding of the federal health care reform legislation signed into law in March 2010. The interpretation of this complex legislation continues to evolve, as additional regulatory guidance is provided by the U.S. Government. Therefore, we defer to the actual carrier contracts, processes, and the law itself as the governing documents.

This is intended as an easy-to-read-summary. It is not a contract. For complete detail of benefits, limitations and exclusions please see your benefits contract.

	Primary care physician (PCP) required With this plan, you need to select a PCP — the doctor who plays a key role in helping manage your care. Each enrolled person on your plan will need to choose a PCP.	☐
	Referrals required You'll need referrals from your PCP before seeing a specialist or getting certain health care services.	☐
	Preventive care covered at 100% There is no additional cost to you for seeing a network provider for preventive care.	☒
	Pharmacy benefits With this plan, you have coverage that helps pay for prescription drugs and medications.	☒

	Freestanding centers You may pay less when you use certain freestanding centers — health care facilities that do not bill for services as part of a hospital, such as MRI or surgery centers.	☐
	Health savings account (HSA) With an HSA, you've got a personal bank account that lets you put money aside, tax-free. Use it to save and pay for qualified medical expenses.	☒

You will be charged a retail Copayment and/or Coinsurance for 31 days or 2 times for 60 days based on the number of days supply dispensed for any Prescription Order or Refills sent to the mail order pharmacy. To maximize your Benefit, ask your Physician to write your Prescription Order or Refill for a 90-day supply, with refills when appropriate, rather than a 30-day supply with three refills.

For Specialty Drugs from a Non-Preferred Pharmacy, you will be required to pay 2 times the Preferred Specialty Network Pharmacy Co-payment and/or 2 times the Preferred Specialty Network Pharmacy Co-insurance (up to 50% of the Prescription Drug Charge) based on the applicable Tier.

Your Copayment and/or Coinsurance is determined by the tier to which the Prescription Drug List (PDL) Management Committee has assigned the Prescription Drug Product. All Prescription Drug Products on the Prescription Drug List are assigned to Tier 1, Tier 2, Tier 3 or Tier 4.

If you are a member, you can find individualized information on your benefit coverage, determine tier status, check the status of claims and search for network pharmacies by logging into your account on myuhc.com® or calling the Customer Care number on your ID card. If you are not a member, you can view prescription information at welcometouhc.com > Benefits > Pharmacy Benefits.

*** Maximum Network Coverage for Specialty Prescription Drug Products dispensed through Designated Pharmacy. See Designated Pharmacies section of your Outpatient Prescription Drug Rider.

Here's an example of how the plan's costs come into play.

1 At the start of your plan year...

You're responsible for paying 100% of your covered health services until you reach your **deductible**, which is the amount you pay before your health plan pays a portion.

YOU PAY 100%

2 Once you reach your deductible...

Your health plan starts to share a percentage of costs (the allowed amounts, excluding copays) for covered health care services with you—this is your **coinsurance**.*

YOU PAY 20%*

YOUR PLAN PAYS 80%

3 When you reach your out-of-pocket limit...

Your plan covers your costs (the allowed amount) at 100%. Your **out-of-pocket limit** is the most you'll pay for covered health services in a plan year—copays and coinsurance count toward this.

YOUR PLAN PAYS 100%

Along the way, you may also be required to pay a fixed amount (for example, \$15)—or **copay**—for covered health care services, such as seeing a provider or purchasing a prescription. You pay 100% of the copay, usually when you receive the service.

* Your coinsurance may vary by service. This example is for illustrative purposes only.

Outpatient Prescription Drug Benefits

For Prescription Drug Products dispensed at a retail Network Pharmacy, you are responsible for paying the lowest of the following: 1) The applicable Copayment and/or Coinsurance; 2) The Network Pharmacy's Usual and Customary Charge for the Prescription Drug Product; and 3) The Prescription Drug Charge for that Prescription Drug Product. For Prescription Drug Products from a mail order Network Pharmacy, you are responsible for paying the lower of the following: 1) The applicable Copayment and/or Coinsurance; and 2) The Prescription Drug Charge for that Prescription Drug Product. For an out-of-Network Pharmacy, your reimbursement is based on the Out-of-Network Reimbursement Rate, and you are responsible for the difference between the Out-of-Network Reimbursement Rate and the out-of-Network Pharmacy's Usual and Customary Charge.

See the Copayment and/or Coinsurance stated in the Benefit Information table for amounts. We will not reimburse you for any non-covered drug product.

For a single Copayment and/or Coinsurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits based on criteria that we have developed. Supply limits are subject, from time to time, to our review and change.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits, or as allowed under the Smart Fill Program. Supply limits apply to Specialty Prescription Drug Products obtained at a Preferred Specialty Network Pharmacy, a Non-Preferred Specialty Network Pharmacy, an out-of-Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Certain Prescription Drug Products for which Benefits are described under the Prescription Drug Rider are subject to step therapy requirements. In order to receive Benefits for such Prescription Drug Products you must use a different Prescription Drug Product(s) first. You may find out whether a Prescription Drug Product is subject to step therapy requirements by contacting us at myuhc.com or the telephone number on your ID card.

Before certain Prescription Drug Products are dispensed to you, your Physician, your pharmacist or you are required to obtain prior authorization from us or our designee to determine whether the Prescription Drug Product is in accordance with our approved guidelines and it meets the definition of a Covered Health Care Service and is not an Experimental or Investigational or Unproven Service. We may also require you to obtain prior authorization from us or our designee so we can determine whether the Prescription Drug Product, in accordance with our approved guidelines, was prescribed by a Specialist.

If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you will be subject to the Out-of-Network Benefit for that Prescription Drug Product.

Certain Preventative Care Medications may be covered at zero costshare. You can get more information by contacting us at myuhc.com or the telephone number on your ID card.

Benefits are provided for certain Prescription Drug Products dispensed by a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy. The Outpatient Prescription Drug Schedule of Benefits will tell you how mail order Network Pharmacy and Preferred 90 Day Retail Network Pharmacy supply limits apply. Please contact us at myuhc.com or the telephone number on your ID card to find out if Benefits are provided for your Prescription Drug Product and for information on how to obtain your Prescription Drug Product through a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy.

Affordable Prescription Programs

Many drug store chains offer significant savings by utilizing their prescription drug programs. Drug store chains are using the strengths of their business to drive down the cost of health care and bring their customers the lowest prices on the products and services they need to stay healthy. Eligible drugs differ for each company and many of the drugs in these programs are generic. Generic drugs contain the same high quality active ingredients as their brand-name counterparts and are equally effective but cost significantly less. Generic medicines generally cost between 30 percent to 60 percent less than equivalent brand-name products.

Interested in saving money on prescriptions? Ask your doctor if a generic is available and is right for you.

Available Retail Programs May Include:

- \$4 for up to a 30-day supply (Wal-mart, Kroger, Sam's Club)
- \$10 for up to a 90-day supply (Wal-mart, Kroger, Sam's Club)
- \$9.99 for up to a 30-day supply (Walgreens)
- \$12 for up to a 90-day supply (Walgreens)
- Cash Back Rewards – Extracare Program (CVS/Pharmacy)

Did You Know?

- **Goodrx.com** provides prescription drug coupons, comparison shopping and a convenient mobile application to help you save on your prescription drug cost?
- **Rx Pharmacy Coupons. Com** (www.rxpharmacycoupons.com) provides script savings on your medications through the pharmacy manufactures and vendors? The Prescription Assistance Program, RxPharmacyCoupons, is partnered with companies that negotiate discounts directly with the pharmacies on over 20,000 name and generic brand drugs. Because their program is able to send such a high volume of cash-paying customers to pharmacies, they can provide group rate prescription discounts. These wholesale prices are passed directly on to patients.

How do I use the Prescription Discount Coupons?

1. Select a pharmacy: RxPharmacyCoupons is valid at over 68,000 network pharmacy locations nationwide. In most cases, your current pharmacy will be part of our network. Use their Pharmacy Locator Service if you need help finding a participating pharmacy.
2. Submit your prescription: Present your prescription to the pharmacist. If you need to transfer a prescription, bring your empty prescription bottle or label with you to the pharmacy.
3. Present RxPharmacyCoupons: Your coupon/card's unique code provides the pharmacist with the appropriately discounted prescription price. The price on the prescription is based on the pharmacy's contracted agreement with RxPharmacyCoupons and their partners.
4. You Save: Your savings will be clear once the pharmacist enters your filled prescription into the register.

Important Notice from Comfort Keepers About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Comfort Keepers and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Comfort Keepers has determined that the prescription drug coverage offered by the United Healthcare Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

CMS Form 10182-CC

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0990. The time required to complete this information collection is estimated to average 8 hours per response initially, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Comfort Keepers coverage may be affected based on Medicare Secondary Payor rules. Medicare eligible individuals can keep this coverage if they elect Part D and this plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current Comfort Keepers coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Comfort Keepers and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2020. Contact your State for more information on eligibility –

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact _____.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name		4. Employer Identification Number (EIN)	
5. Employer address		6. Employer phone number	
7. City	8. State	9. ZIP code	
10. Who can we contact about employee health coverage at this job?			
11. Phone number (if different from above)		12. Email address	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

☐ All employees. Eligible employees are:

☐ Some employees. Eligible employees are:

- With respect to dependents:

☐ We do offer coverage. Eligible dependents are:

☐ We do not offer coverage.

- ☐ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.
